EDUCATION

- **VIT Bhopal University, Bhopal, Madhya Pradesh**
Bachelor of Technology in Computer Science & Engineering
CGPA: 7.37 August 2021 – June 2025
- **JSPM Group of Institutions, Latur**
Higher Secondary Certificate (HSC)
Percentage: 82% 2021
- **Podar International School, Latur**
Secondary School Certificate (SSC)
Percentage: 86% 2019

SKILLS

- Product Lifecycle Management, Market Research, Data-Driven Decision Making
- Business Strategy, Stakeholder Management, and Cross-functional Collaboration
- Data Analysis, Process Optimization, and Workflow Automation
- Proficiency in Python, SQL, Excel, Google Workspace, and CRM Software
- Agile Methodologies, Roadmap Planning, and Competitive Analysis
- Strong Analytical and Logical Reasoning Skills
- Quick Learner, Organized, and Detail-Oriented

WORK EXPERIENCE

Python Developer Intern *Algofed Technologies — November 2024 - January 2025*

- Developed backend APIs and automation scripts using Python and FastAPI.
- Designed and implemented data processing pipelines for machine learning models.
- Built an interactive interface using Python to streamline user interactions.

PROJECTS

Smart Vision QC *2024*

- Analyzed operational inefficiencies and implemented automated solutions.
- Developed real-time monitoring dashboards for enhanced decision-making.
- Designed and deployed a computer vision model for automated quality control.
- Integrated machine learning algorithms to enhance defect detection accuracy.
- Implemented a reporting system to provide real-time insights and analytics.

Multiple Disease Prediction System *2024*

- Designed a predictive system for healthcare applications.
- Developed a user-friendly web-based interface for report generation.
- Integrated machine learning models to predict multiple diseases based on user inputs.
- Improved accuracy by optimizing model parameters and using advanced feature selection techniques.
- Conducted extensive testing to validate model predictions and enhance system reliability.

ACHIEVEMENTS

- Finalist in Graph-E-thon, Flipkart Grid Prototype Phase
- Active participant in hackathons .

EXTRA-CURRICULAR ACTIVITIES

- Community Manager at DevCode, leading outreach and engagement initiatives.
- Photographer and Reel Editor for Insights Club, covering events and digital content production.
- Participant in multiple hackathons and.

OTHER INFORMATION

- **Languages:** English (Professional), Hindi, Marathi (Native)
- **Hobbies:** Travelling, Photography, Cinematography, Listening to Music
